

It's our 10th Annual StitchCraft Challenge!

It has been an interesting 2020 so far. We are so grateful for the support of our customers near and far and decided that this was the perfect time to change things up a bit – making the Challenge broader, more inclusive, and more fun for all! Here's how it works -

Purchase a Challenge kit* for \$10.00 from StitchCraft (\$12.00 to have it mailed to you).

Make something with your Challenge Fabrics! This year there are THREE fabrics included – one fat quarter of each – and you must use a bit of all of them. Add any other fabrics and/or materials, but all three Challenge Fabrics must be visible in your finished project (do not hide them in a purse lining or on a quilt back). You may purchase additional yardage of the Challenge Fabrics if you need more. Quilt, sew, glue, decoupage, staple, paint – whatever you can imagine – with your fabrics.

As we celebrate being open 10 years, we invite you to incorporate the theme TEN into your project. It's completely optional but including it will make you eligible for additional prizes!

Bring your Challenge project along with a completed Entry Form (below) to StitchCraft by September 5, 2020. If you are not local you may send us photos and a description of your project for us to display virtually. We accept entries in person or via mail. Challenge projects may be kept on display at StitchCraft throughout September/October, and will be **available for pick-up beginning October 17**. Your name must be securely attached to your project (e.g. quilt label).

You will receive a \$10.00 StitchCraft Gift Certificate when you return your finished project (or submit photos online).

We will turn StitchCraft into a gallery of everyone's work. This year, in addition, we'll post photos online for viewing and voting. Given the state of the world and the COVID-19 pandemic we have not yet scheduled an event for participants; we are waiting to see what will be feasible as far as celebrating. There will not be traditional judging, but we WILL give out awards in many categories. A Viewer's Choice will be awarded on October 9. **YOU CAN WIN PRIZES JUST BY PARTICIPATING!** To celebrate 10 years, we will be drawing 10 names from the participants throughout the summer to win some awesome prizes from our industry sponsors.

*StitchCraft Challenge Kits are not returnable.

Please note, by entering, you give permission to StitchCraft to photograph your project for use in our marketing efforts. We will take every precaution to protect and take care of your creation, but StitchCraft will not be held liable for any loss or damage of entries while in our possession.
